### DESCRIPTION

Representing Beacon Recycling, our Class A and B CDL Truck Drivers act as our frontlines customer service team by transporting scrap metal throughout West Michigan. This is done primarily using roll offs and luggers. Experience with this type of equipment is a plus but we will train the right person. Experience with flatbeds is also a plus! All our trucks have manual transmissions.

### MINIMUM QUALIFICATIONS

- High School Diploma or equivalent
- Valid Class A or B CDL required
- Current DOT Medical card, or eligibility to acquire one

Excellent opportunity to advance your skills with different types of equipment.

Beacon Recycling’s core values stem from the fundamental beliefs that guide us down the right path to happiness and success. We believe that if we act with **integrity** and **transparency**, we are **customer focused**, we recognize the **importance of family**, and we have our **faith**, and we hire persons of the like, we will cultivate a positive atmosphere that **exemplifies pride** in all positions with Beacon Recycling.
